

## SR836 EXPRESS ENHANCED BUS TOD: HIGHEST AND BEST USE WORKSHOP (ONGOING)

The Metropolitan Center in conjunction with Greenway Transit and Technologies, Inc. was commissioned by the Miami-Dade County Citizens' Independent Transportation Trust (CITT) to deliver a presentation on their behalf during the "SR836 Express Enhanced TOD: Highest and Best Use Workshop" for stakeholders. The Metropolitan

Center will be responsible for presentation revisions as well as facilitating the session and recording audience input.

The project began in January 2013 and is scheduled to be completed at the end of May 2013. Deliverables for the project include an ATOD PowerPoint presentation and ATOD input as requested during the Workshop.
