

**THROWBACK THURSDAY**

# **Economic Impact of the Nonprofit Sector in Miami- Dade County**

**2020 Report**

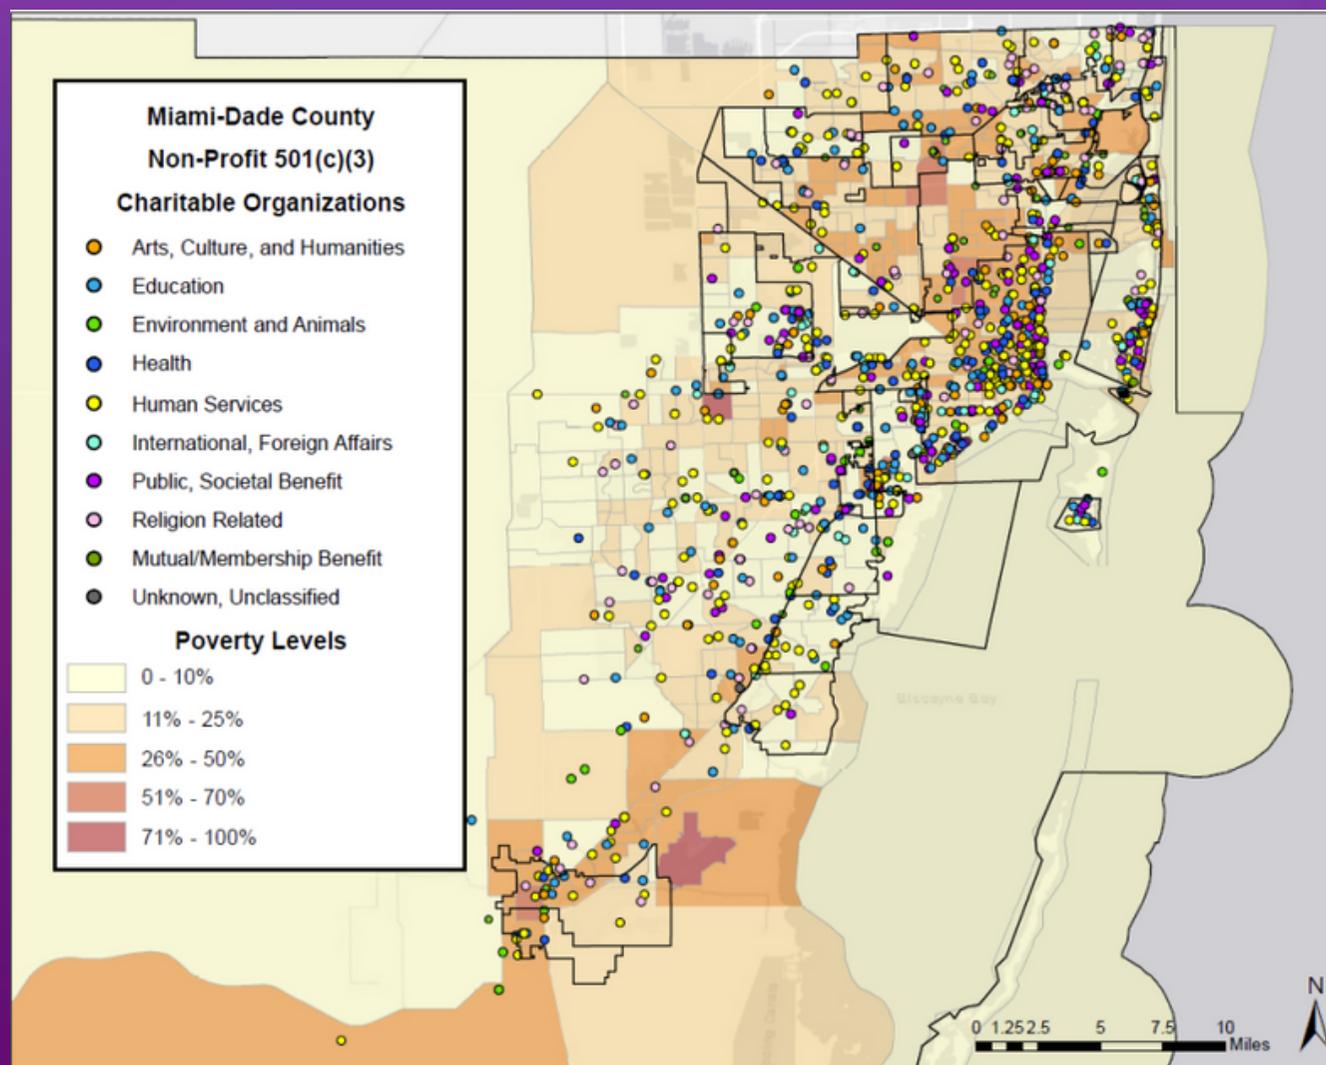

## Public Charity Landscape of Miami-Dade County

### Miami-Dade County nonprofit 501(c)(3) Charitable Organizations, 2019

In 2019, most nonprofits were concentrated in the urban core, although a number of organizations are sprawled throughout Miami-Dade County.

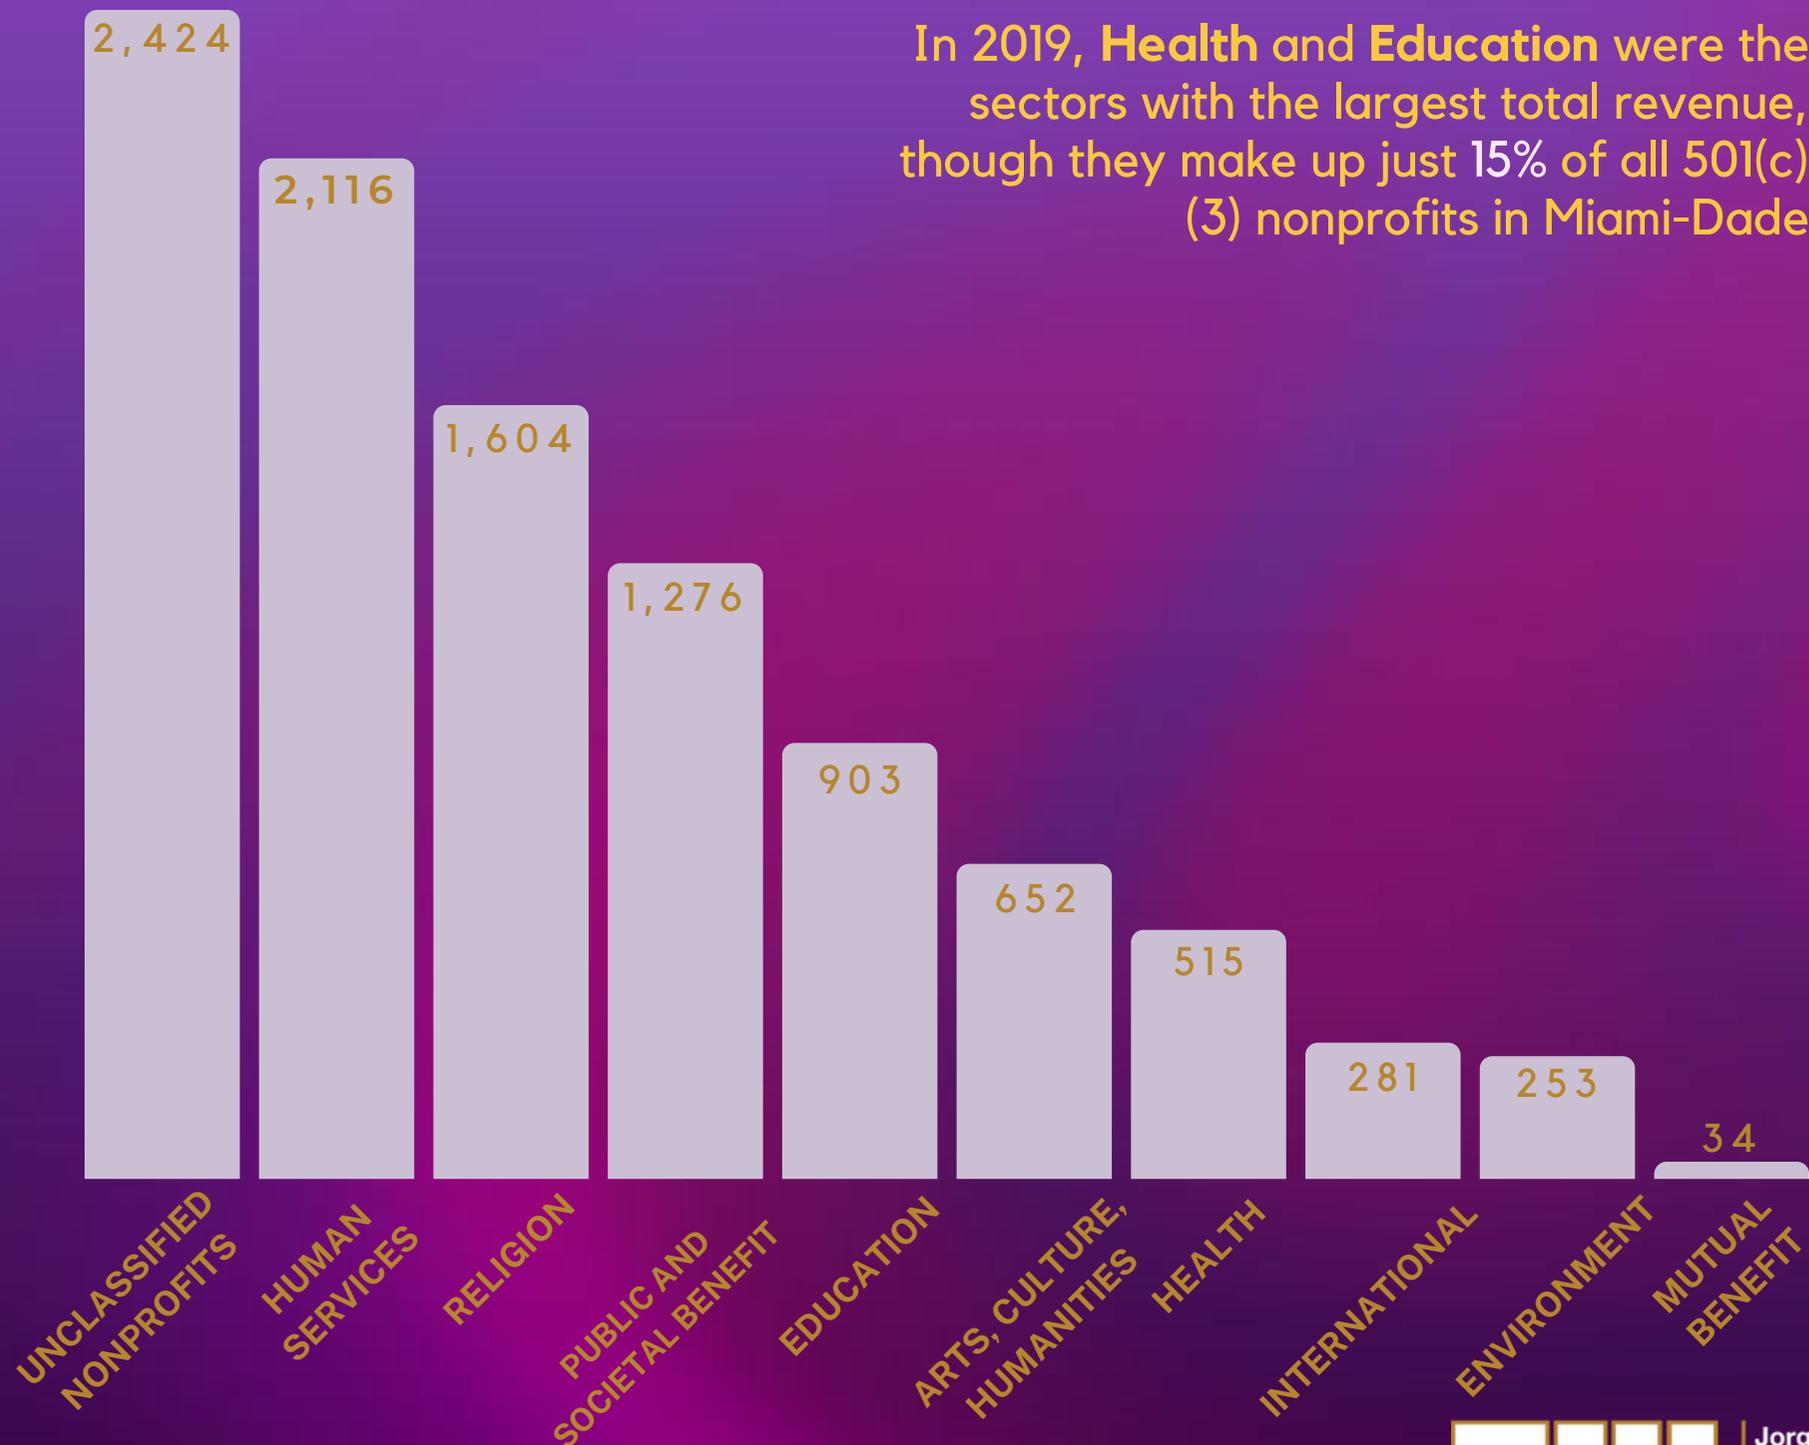

The high concentration of nonprofits in the urban core may indicate insufficient resources in other regions of the county.

## Nonprofit Role in Miami-Dade County

### Number of Nonprofit Organizations by Social Functions, 2019

In 2019, **Health** and **Education** were the sectors with the largest total revenue, though they make up just 15% of all 501(c)(3) nonprofits in Miami-Dade

## Getting involved

### How you can help

## Give

Contribute and motivate others to do so as well.

## Share and Advocate

Spread awareness about your favorite organizations to your network.

Contact elected officials about your cause to generate support.

## Volunteer

Find a nonprofit organization you connect with.
