

Education

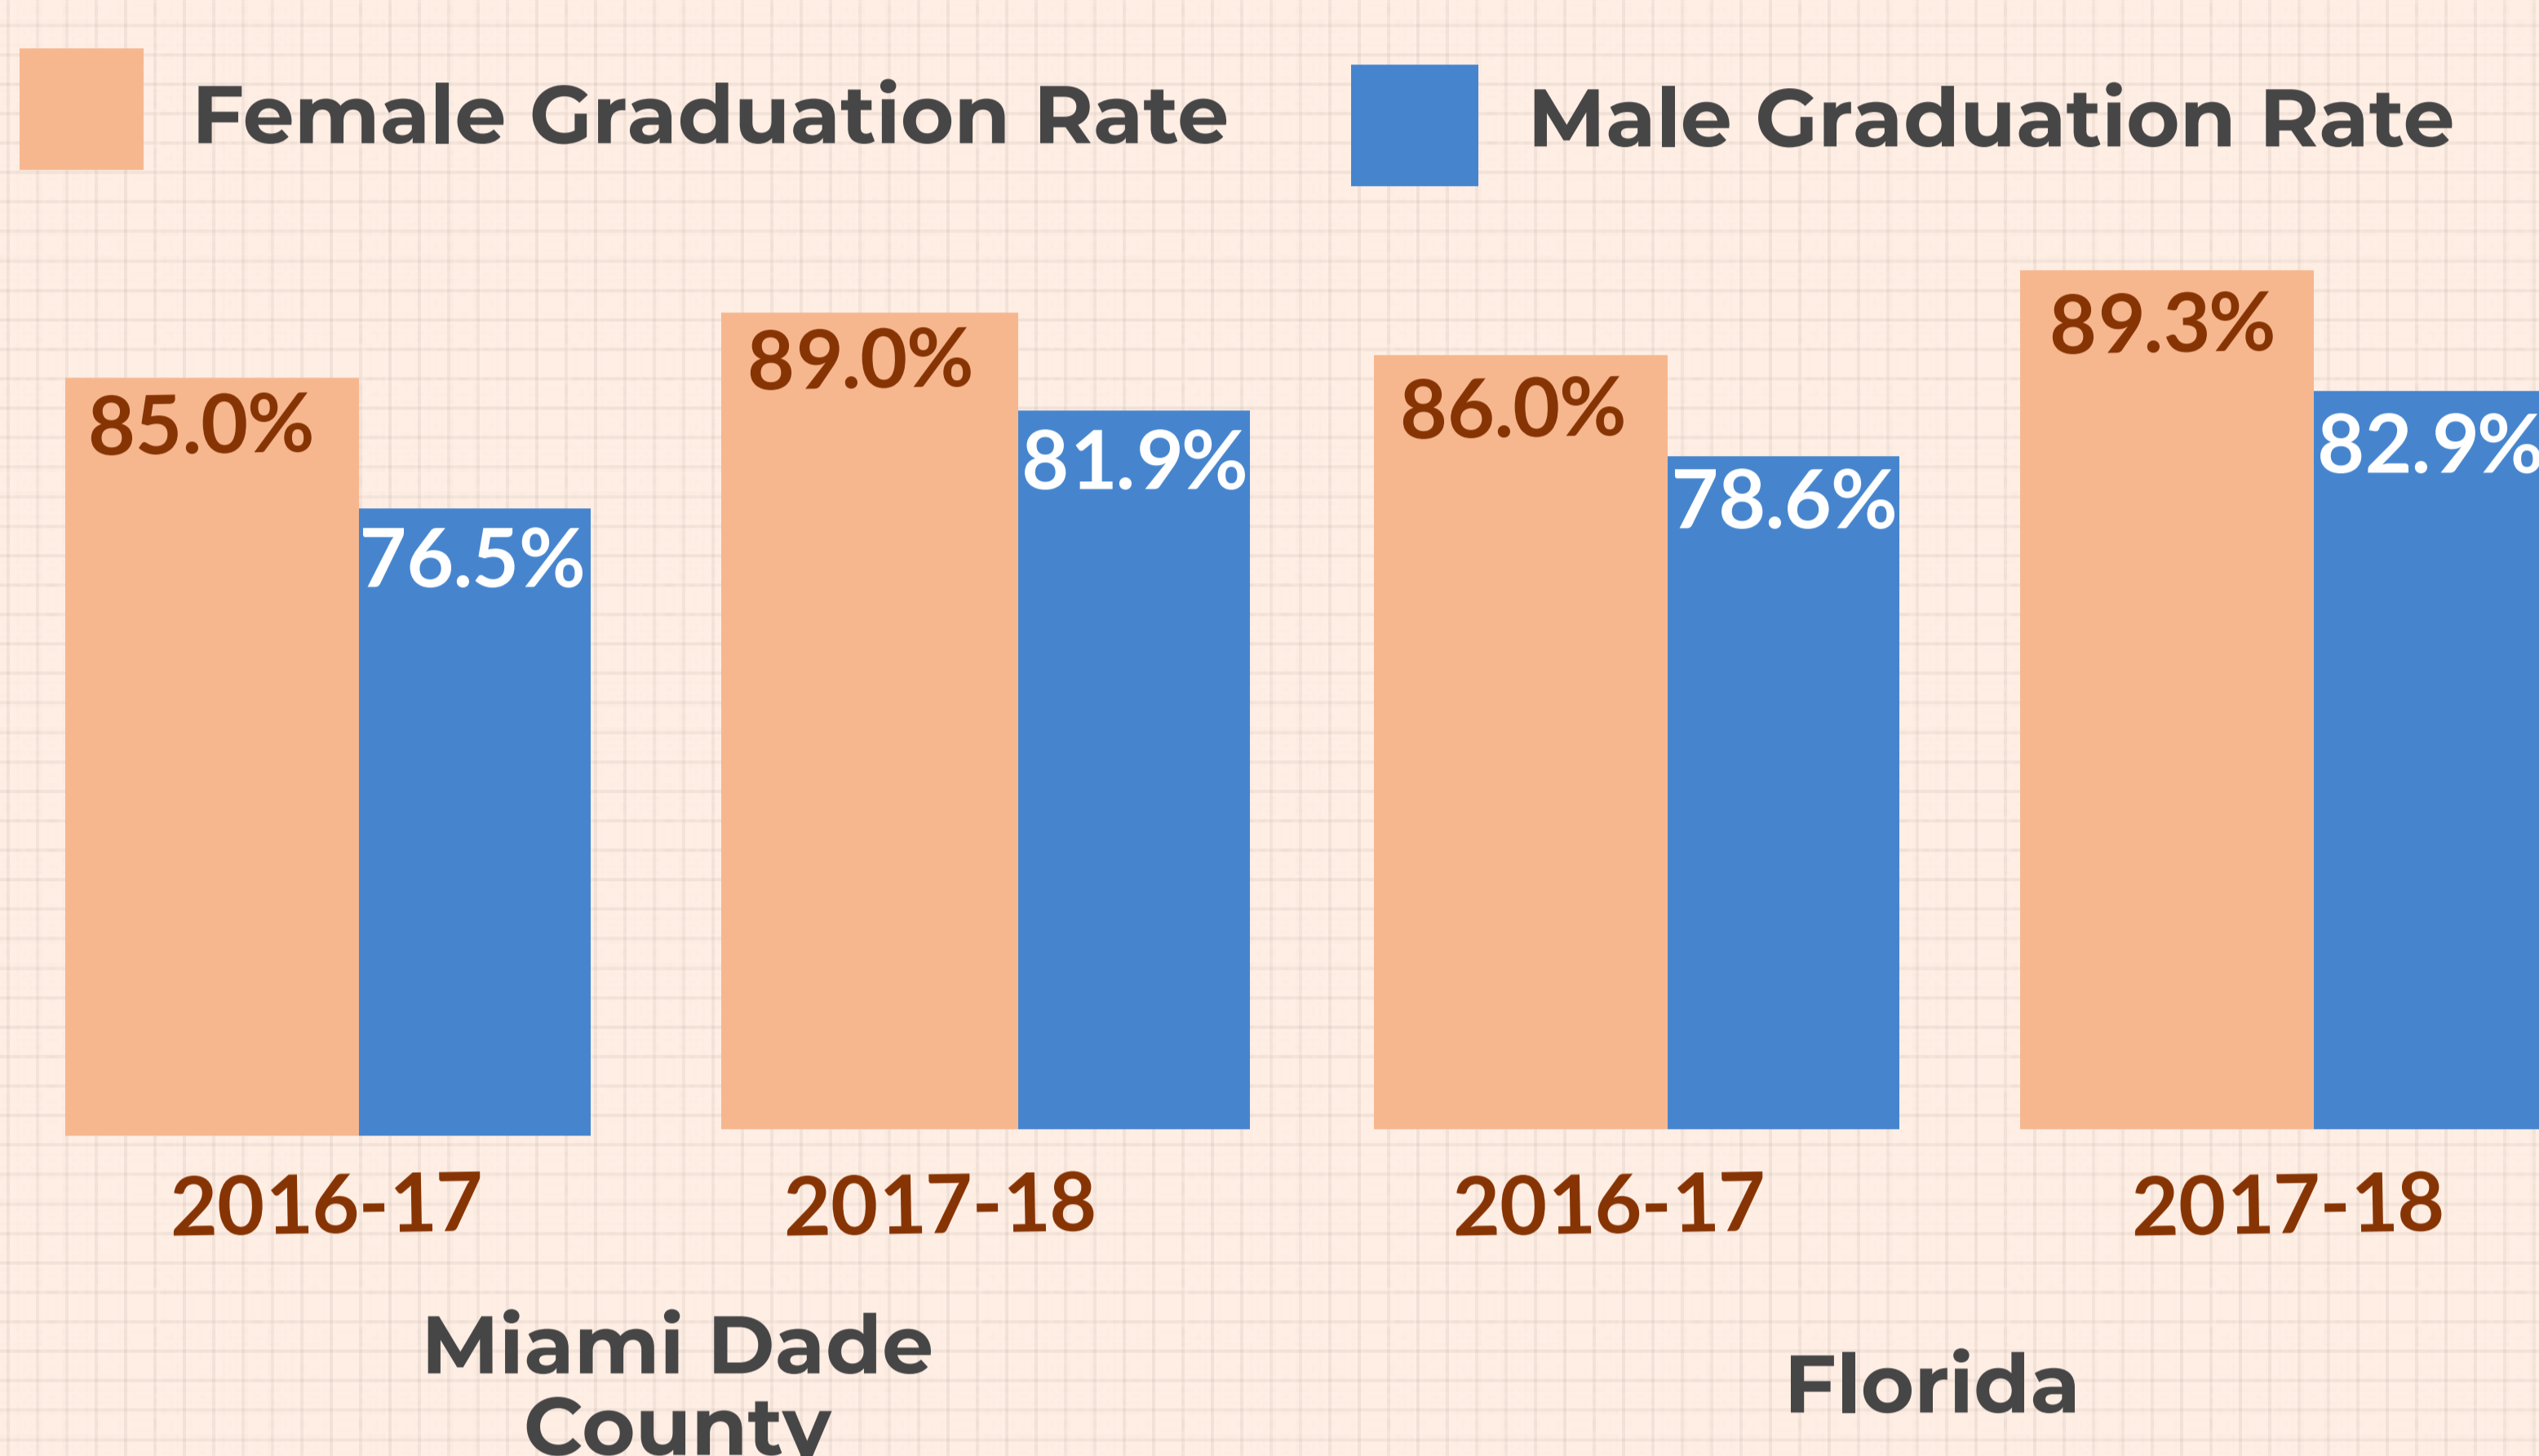

Education is typically considered a pathway towards gender equality. Women surpass or are on par with men in educational attainment.

Graduation Rates

Miami Dade and Florida

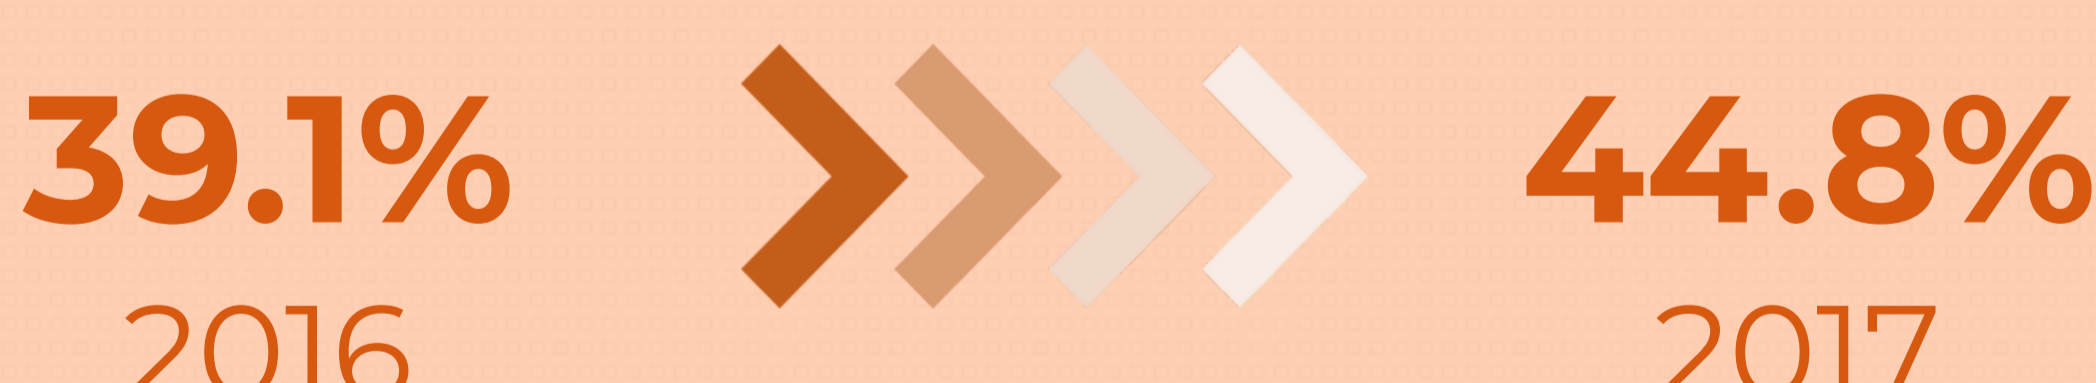

% District Graduates (2017-2018 school year)

Race/Ethnicity	Female	Male
White	93.6%	88.6%
Hispanic	89.5%	82.8%
Black	85.5%	75.5%

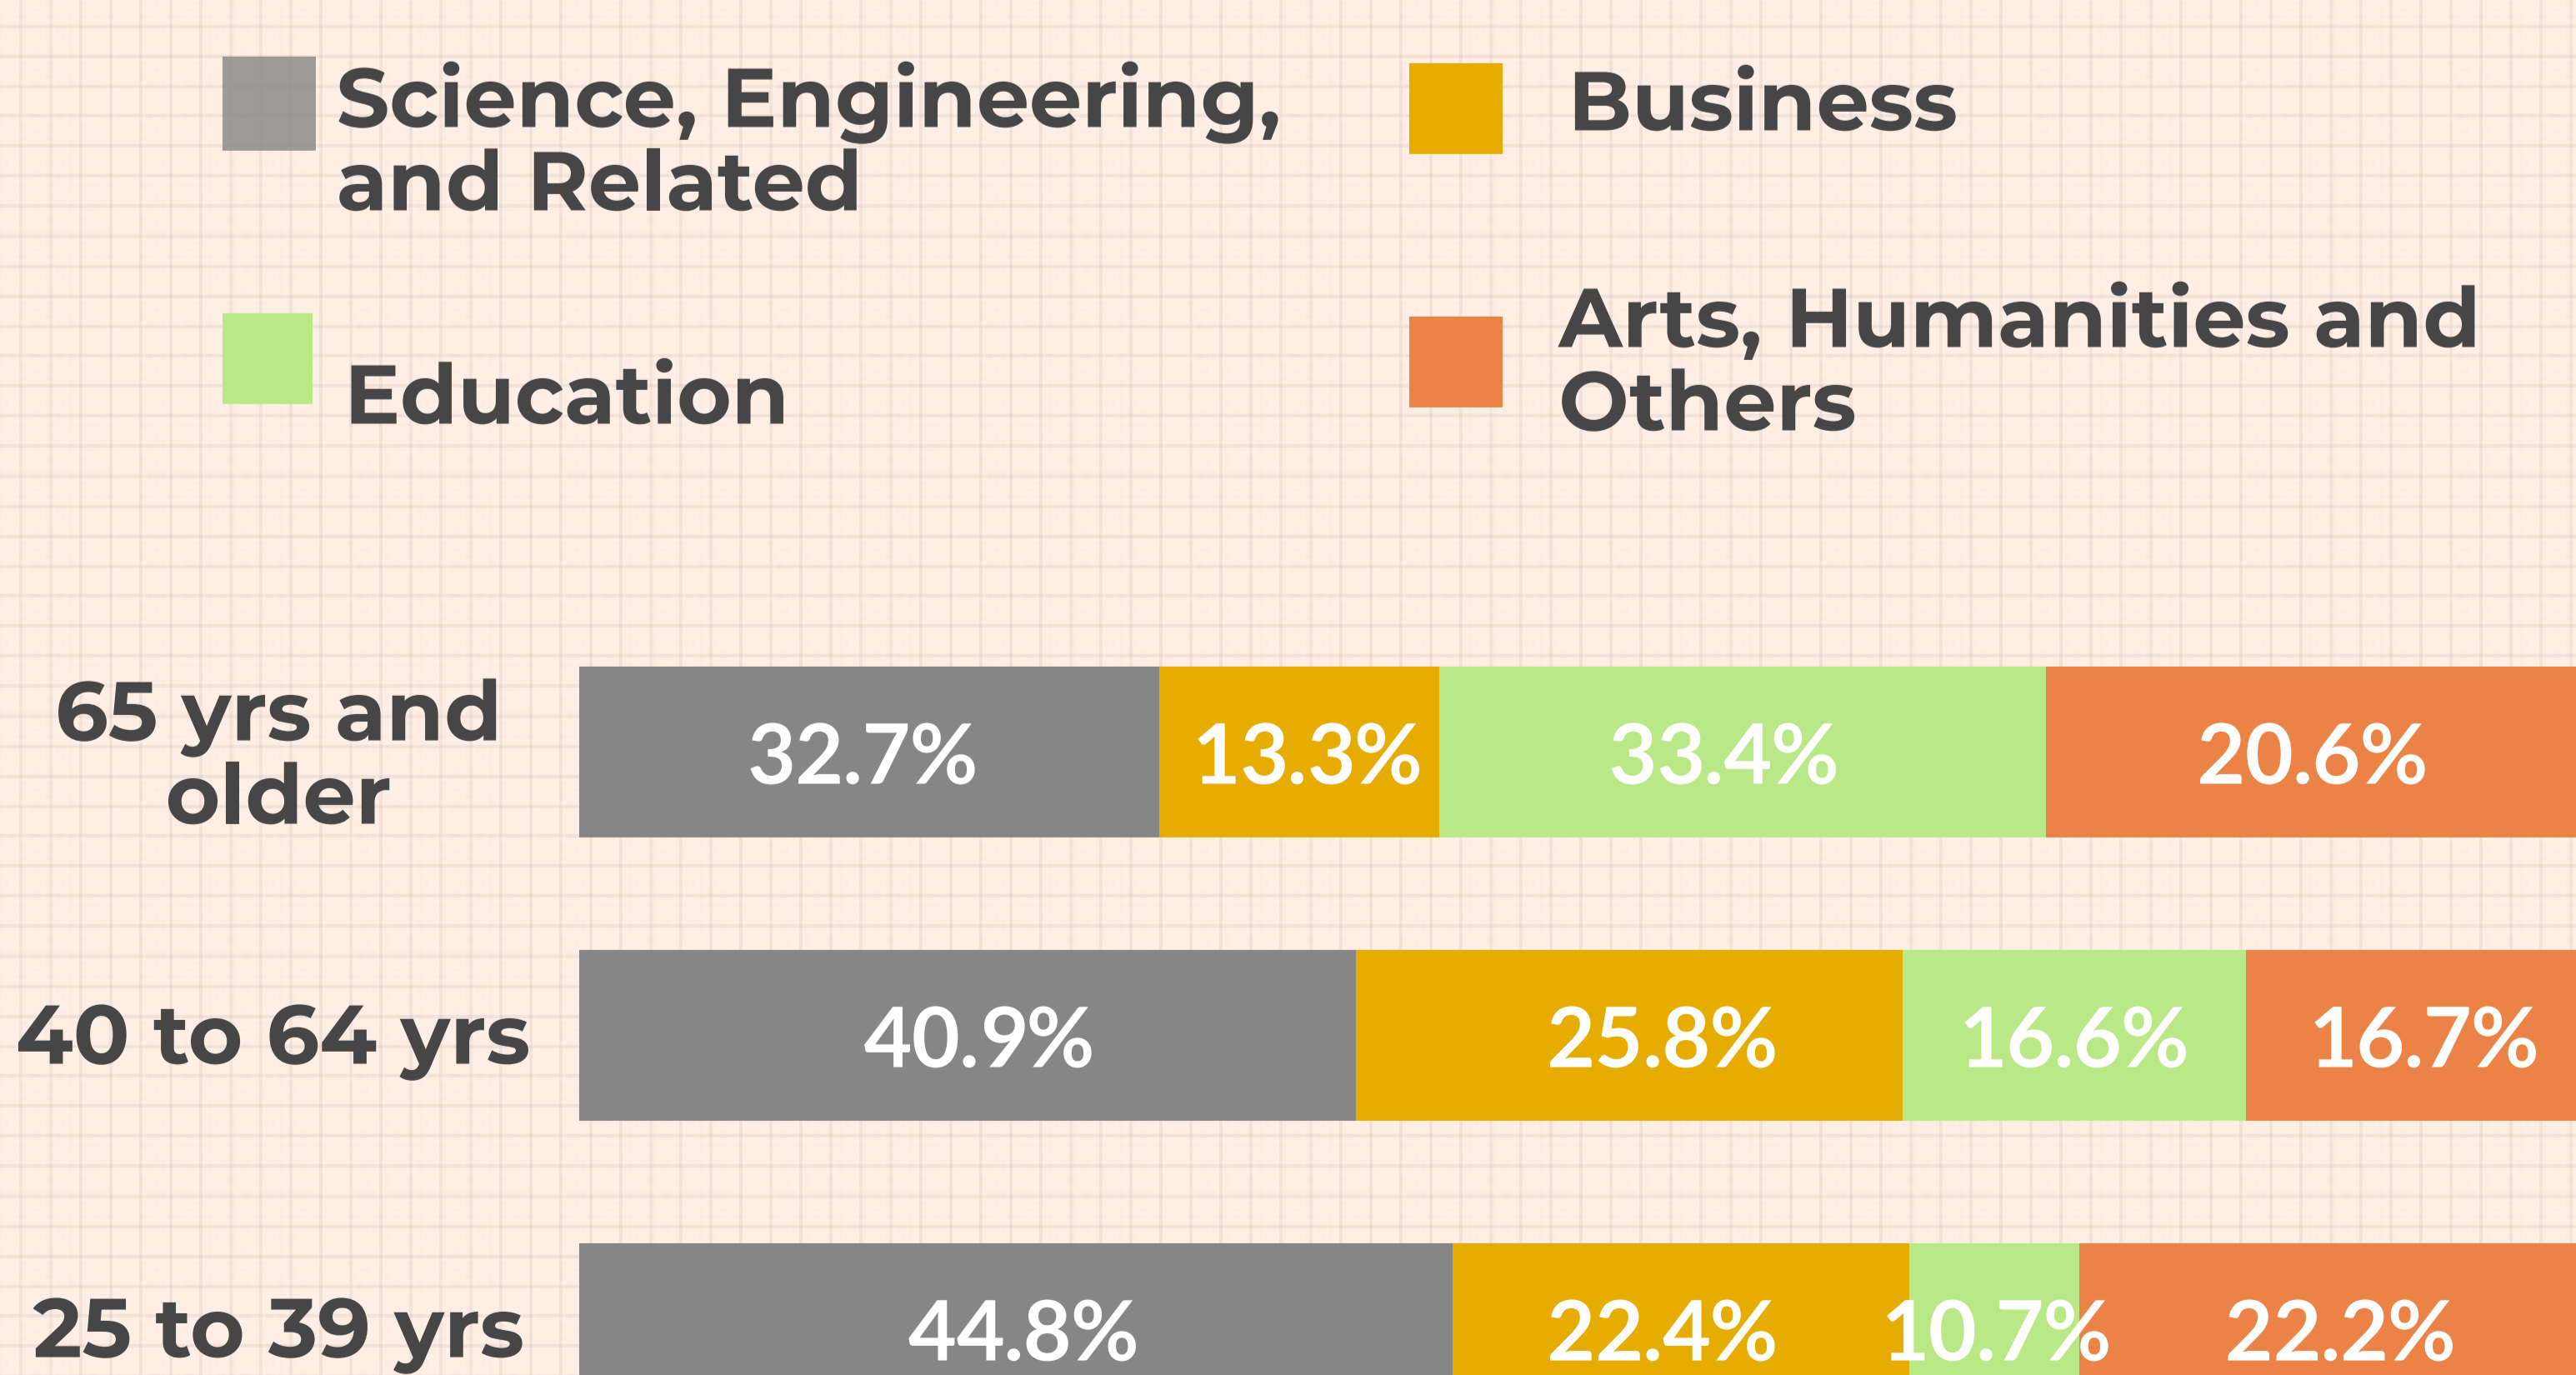

White male and female students have the lowest dropout rates. The highest dropout rates are for Black male students, followed by Hispanic males and Black females.

Women with STEM degrees

in 25-39 age group with Bachelor's (Miami-Dade County)

Field of Bachelor's Degree by Age (2017)
