## Why it Matters?

According to the Institute on Taxation and Economic Policy, as of 2013, the 11 million undocumented immigrants in the United States contributed \$11.6 billion in state and local taxes a year.

### Population Growth

International migration increased by 397% since 2010 in the Miami metro area.

Miami-Dade County ranks 2nd for international migration from 2010 to 2016 among all U.S. counties. Miami's status as a gateway to Latin America positions it for continued growth in international immigration.
